This event is co-hosted by the Putnam Transition Consortium and Green Chimneys

The mission of the Putnam Transition Consortium is to improve transition plans and post-secondary outcomes for Putnam County youth and young adults through communication and education of all transition stakeholders, including students, families, schools, and community agencies.

Green Chimneys serves to help young people to maximize their full potential by providing residential, educational, clinical and recreational services, in a safe and supportive environment that nurtures connections with their families, the community, animals and nature.
